MSCL MSC London / London Leathermen 1974-2017

Name of Creator: MSC London / London Leathermen

Extent: 17 boxes, 8 posters and other loose items

Administrative/Biographical History: MSC London was formed in 1973 as a social group for gay and bisexual men over 18 in London with a fetish for leather, rubber, uniform & skin head gear. It was one of the founding members of the European Confederation of Motorcycle Clubs (ECMC), formed 14th January 1974. MSC London was also affiliated with the Fellowship of UK Clubs (FUKC).

MSC London's future and viability was discussed in the 1990s, however this was overcome and continued to be a functioning club. In 2016 MSC London changed its name to London Leathermen, which is how it is currently known.

In addition to holding club nights, MSC London held Birthday events and Annual General Meetings. The club also served as the host for several FUKC and ECMC events, and participated in events run by other motor sports clubs. MSC London also participated in 'London Clubs Together' events which involved other London based motor sports clubs. The club is also involved in the organisation of Mr Leather UK.

London Leathermen continues to hold regular social meetings on the third Friday of every month at Eagle London in Vauxhall.

Custodial History: Deposited with Bishopsgate Institute by London Leathermen via Ray Duns, 7 July 2017.
