**Extent:** 55 Files

**Administrative/Biographical History:**

Amended from the Duckie Website (2020):

Duckie are lowbrow live art hawkers, homo-social honky-tonkers and clubrunners for disadvantaged, but dynamically developing authentic British subcultures. Duckie create good nights out and culture clubs that bring communities together. From their legendary 24-year weekly residency at the Royal Vauxhall Tavern to winning Olivier awards at the Barbican, they are purveyors of progressive working class entertainment who mix live art and light entertainment. Duckie combine vintage queer clubbing, LGBTQI+ heritage & social archeology & quirky performance art shows with a trio of socially engaged culture clubs: The Posh Club (our swanky showbiz palais for working class older folk, now regular in five locations), The Slaughterhouse Club (our wellbeing project with homeless Londoners struggling with booze, addiction and mental health issues), Duckie QTIPOC Creatives (our black and brown LGBTQI youth theatre, currently on a pause until we bag a funder).

Duckie have long-term relationships with a few major venues including Barbican Centre, Rich Mix, Southbank Centre and the Brighton Dome, but we mostly put on our funny theatre events in pubs, nightclubs, church halls and community centres. They are a National Portfolio Organisation of Arts Council England and revenue funded by the Big Lottery Fund. Duckie produce about 130 events and 130 workshops each year - mostly in London and the South East - and our annual audience is about 30,000 real life punters.
