

This Minute Book covers the period
October, 1911, to January, 1915.

Dear Copper

Mr. Wagg asked

me to let him have this minute book.

It will interest you, too! I have put

in bits of paper with comments - you

may like to add to them.

W.C. & E.C. have all already

seen it.

The Annual General Meeting of the club was held on Tues. Nov. 14th 1911 at 9.10 p.m. in the Downstairs room.

Mr. Wellerley was in the chair supported by Mr. Gilbey Mr. Gagg, Mr. Swift & Mr. Rogers.

Present 71 club members.

The minutes of the previous General Meeting were read duly approved & signed.

The chairman then briefly reviewed the doings of the club during the past 6 months.

Hannier had he said wound up the season 1910-11 very successfully & had entered on that of 1911-12 with a very long list of member names. Of late there had, however, been some considerable slackening off, & he would beg of members to remember that if it was worth joining the Hanniers at all, it was worth seeing the thing through properly. Nothing was more discouraging to those who like Mr. Villiers come down for the W. End of London to like the Hanniers out, than to find a small number of members keen to go out.

Crickets had flourished more than ever before, & both the A Team & the Under 16 Team had been finalists.

in their League competitions. A team winning the Reamers Cup for the club & the Under 16s losing the Fed. Junior Cup is the ideal to St. Andrews.

The Boxing was going as strong as ever under the able leadership of their manager Mr. Wagg, who had made a point of being present there every night in order to give away the medals won at the competitions at the close of each season. (loud cheers). He hoped that it would this year be possible to enter members for the Federation Competitions & also to again take on & defeat the representatives of the Antigua T.S.

Football was going stronger than ever, & they all confidently expected at least 3 cups (one from each team) to be added to the club mantelpiece before the summer came (loud cheers).

To turn to another side of the club life, he hoped that members would realize that it was expected of them that they would back up Mr. Rogers whom they were so glad to welcome amongst them (cheers) in making the Sunday Session for club members a thoroughly

representative & well-attended one.

He would like to remind one or two members that club subscriptions must be kept regularly paid up, & he hoped also that more members would make use of the 1d. Bank in future, also the club library.

Mr. Wagg rising amidst loud cheers touched on the importance of all members of the Boxing class putting their heart & soul into the sport if they were to be able to prove successful in any competitions. He hoped that the present season would prove even more successful than the last & that they would have better luck in their encounters with the Antigua boys than had been the case the preceding year.

Mr. Wagg then distributed medals to T. Clifton (taken by his brother) W. Graves, C. Pollington & C. Clifton.

Mr. Gillies rose to much applause and said that he wished the Club with the more interest in the Harriers. If Mr. Williams did not think it was too much trouble to come down from London W. to run, surely it was incumbent on them to run. He also said that running with the

Harriers did them all the good in the world. He was sorry to hear that several O.E.'s who had come down the previous night had witnessed such a small number of Harriers, & he asked them one & all to buck up & make the Harriers like the Boxing & the Otters 'a great success'. He suggested a motto for the Harriers: Running out, & not walking out.

Mr. Rogers urged the claims of the Sunday Bible Class upon the members of the Club. He laid great stress upon it as an integral part of club life, and insisted that a regular and proper use of it contributed enormously to the permanence of the training afforded by the Club. He also pleaded for a welcoming spirit on the part of existing members towards those who were as yet strangers, or unaccustomed to religious services, quoting the Chairman's previous appeal for a similar spirit in the Club itself.

Mr. Swift said that of the 21 topics he had intended to touch upon, the four previous speakers had exhausted the interest in twenty, which left him only one to speak about & that was the Penny Bank. Although he had, as we all know, nothing new to say about it, still there are many, too many, members who fail to take advantage of investing their savings at a rate of interest that wd. ruin the Bank of England in 12 mths.

But their action is quite on a par with that lack of keen interest & dogged determination to succeed wh. characterises the lad who boxes once, runs out twice

and gets slack about the club and its life and turns it down or it turns him down, in disgust. Some day they will have a fine club, but its success will not depend upon its internal convenient arrangements, nor upon its architectural beauty, but solely & exclusively upon the keen interest displayed by each and every member in the business & life of the club, that is, in all it undertakes to do and provide.

Various points connected with club life were then brought forward for discussion by club members after which the chairman rose to conclude the meeting.

There remained, he said, one point upon which he had not yet touched - namely the proposed establishment of a society in the club which should endeavour to combat the attractions which a number of members appeared to find in associating constantly with the girls of the neighbourhood. He had for some time felt that in the interests of the club of the members themselves & of their homes & parents some steps would have to be taken to discourage what at the best must be looked upon as an extremely ridiculous practice. The Club Committee had ^{considered} the discussion of the question at the General Meeting.

It was resolved to hold a special meeting during the following week to go into the matter.

The meeting closed with a hearty vote of thanks to the chairman.

The minutes of the previous meeting were read duly approved & signed.

Cttee. duties for the week were arranged.

It was decided that owing to the difficulty of finding committeemen free on Saturdays some arrangements should be made by which duties for that day should be taken in turn.

On the proposal of H. Barnes seconded by S. Williamson it was decided that in future the Committee should take it in turn to be on duty on Saturdays - taking same in alphabetical order & commencing that week. It was agreed that the same arrangement would probably have to be made for Thursdays.

W. Medcalf, E. Dent, W. Hancock & R. Northcott were proposed by W. Emsworth seconded by E. Hayes & elected to the club, & duly appeared before the Cttee.

The chairman then brought up the question

of boxing singles shorts etc being used for football. It was agreed by the majority of the Cttee that since these were sold to members at a reduced rate for boxing & harness purposes, they should not be worn on by use on the football field. After some discussion it became evident that these singles etc could be reasonably expected to last 3 years. It was therefore proposed by H. Barnes & seconded by E. Hayes that every member should be entitled to a new set at the reduced rate once in every 3 years, but that any member requiring new shorts or singles before that time had elapsed should pay the full amount of their cost.

This was agreed to by 4 votes to 3. S. Tickers was called before Cttee. & cautioned as to his behaviour at the club. The rules for Tournaments were then drawn up.

J. Reed enquired the date of club supper, & the chairman informed him that this would be held on the conclusion of the Tournaments.

of W. Hulst
22.1.12.

The Club met on Tuesday Jan. 23rd. at 9.15 p.m.

Mr. Weller was in the chair supported by Mr. Anderson & a full club.

The minutes of the previous meeting having been read duly approved & signed, the chairman introduced the subject of H. Browning who had failed as a member of the Club, to discharge his duties on the previous Saturday & had not even put in an appearance at the club.

There was, said Mr. Weller, no further to be said but that this breach had been intentional. Browning had been in the club on the Friday night & had been reminded that he was down for duty on the following night. It could be remembered that he had opposed the motion by which it was decided that each Committeeman should take Saturday in turn.

The Club decided to speak strongly to Browning on the matter & to put him down for the following Saturday instead. Browning then entered the room & on being informed of the decision of the Club, refused to undertake the duties for the following Saturday.

saying that he had something else to do.

He was asked by the chairman to consider this carefully & advised that the consequences would probably be of the gravest, but refused to state his decision.

The matter was then left over until the following meeting.

Duties for the week were assigned.

Notice was given by Mr. Collesby of a intended visit of Mr. Bell on the following night.

^{W. Ensworth} ~~James~~ ^{William} was proposed by ^{S. Williamson} Read seconded by ^{W. Ensworth} ~~James~~ & duly elected to the chair on which he appeared before the club.

J. Read asked if lavatory accommodation in club could be improved but it was decided to continue the use of the Red Path until the New Club should be built, when, the chairman remarked, he hoped there would be room for all members to stand in a row.

The chairman thanked the club for their successful efforts in picking up members for the special

farewell Sunday service to the vicar on the preceding Sunday.

The proceedings closed at 10 p.m. with heavy vote of thanks to the chairman & vice chairman for presiding.

The Committee met on Tues. Jan. 30th at 9.15pm.

Mr. Vellings was in the chair supported by Mr. Anderson, Mr. Rogers & Mr. Gilling.
 Present Messrs. L. Emmott, H. Barnes, J. Reed, E. Pratt, E. Smith, S. Williamson, E. Hayes & G. Fomster.

The minutes of the previous meeting were read & approved & signed.

The chairman informed the club that he had heard from H. Browning, expressing his regret as to what had occurred the previous week & offering to undertake duties for the following Saturday & to guarantee that in future there should be no further trouble. He (the chairman) had been very pleased at receiving this as it would have otherwise been necessary to ask Browning to retire from the club. He felt, after seeing Browning, that he quite realized his mistake, & that the best action for the club to take would be to put Browning down for duty on the following Saturday, & to let the matter end there.

The club was unanimous in agreeing to this.

The club duties for the week were then arranged.

On the proposal of G. Fomster, seconded by H. Barnes, Mr. Macdonald was elected a member of the club & duly appeared before the club.

It was decided by 5 votes to 3 that the protest against removal of Union Cup 711 of previous Saturday on the grounds that pitch was unfit for football be discontinued.

It was decided by 4 votes to 3 that in future the club do take it in turn alphabetically to do duty on Thursday evenings, with the exception of the Boxing Saturday.

The chairman gave notice of a coming entertainment by a conjurer friend of Mr. Balfour on Sat. Feb. 10th.

It was agreed that the broken window be repaired at once.

After some discussion the club decided to throw open the bottom room for draughts, donkeys etc. for a week trial.

The meeting closed at 10.15 with a hearty vote of thanks to the chairman for presiding.

The Committee met on Tues. Feb. 5th at 9 p.m.

Present Mr. Lelland (in the chair). Messrs. G. L. Lelland, R. Swift, R. Rogers, H. R. Anderson, and Messrs. S. Williamson, J. Reed, H. Barnes, G. Forsythe, E. Peck, W. Ensworth, H. Brown, & E. Hayes.

The minutes of the previous meeting were read duly approved & signed.

Notice was given of the entertainment to be held on Sat. Feb. 10th & some discussion took place as to the age limit to be fixed for those invited as guests to witness the show. It was eventually decided by 7 votes to 1 that no restriction as to age be enforced.

It was agreed that the club should be closed on this occasion after 8.30.

The Quarterly General Meeting of the Club was fixed for Tues. Feb. 20th.

On the proposal of S. Williamson seconded by W. Ensworth A. Beach was elected a member of the club & duly appeared before the club.

The Club reported that the attempt to make the bottom room more popular had not met with much success.

It was agreed to post a notice making it compulsory for any members wishing to play draughts chess shov ½d or pils to do so downstairs, & to see if this would help to make the room of more use.

Mr. Gellishy brought up the question of Harriers who had lapsed from membership. An arrangement had been made at the beginning of the season whereby members of the Harriers had been admitted to the Boxing class without payment of a 6d. entrance fee.

A number of these who had taken advantage of this names being down as Harriers to avoid paying the Boxing fee had since lapsed from active membership of the Harriers. This was obviously unfair & hard on those who had paid the fee.

After some discussion it was moved by Mr. Swift & seconded by H. Barnes & carried unanimously that the Harriers Club be asked to draw up a list of bona fide & active members of the Harriers club, & that those Boxers who were not included on the list & who had not already paid the 6d. fee should be called upon to do so at once.

The chairman expressed the view that the first 'harrier' broken up the broken window could be compensated.

It was agreed to discuss the subject of the club supper & Harrier Bay during the coming general meeting.

Proceedings closed at 9.55 with a hearty vote of thanks to the chairman & vice chairman for their services.
