A vote of thanks to the Chairman concluded the mtg:.

20/1/1919. A general mtg: of the members was held in the club on this date at 8:45 p.m.

Present :- Mr Wagg in the chair, Capt: Wellaley, H.E.S. and over 120 O-B's + members. Mr^r + Mr Graves and 'Eddie' were also present.

The minutes of the last general mtg: 1 Oct: '18 were read confirmed & signed. The old committee were re-elected.

The Chairman then reviewed the club's condition & doings during the previous term. At the outset he welcomed the return of so many of the O-B's whom he was pleased to note were taking so active a part in the club life & its organisation.

Speaking of the Bestborough Cup, while regretting that we had not been successful in winning it, it was gratifying to find that as the runners-up our successes covered a wider field than that of 'Fairbairn'. It behooved us to compete with the cup-holders in their own particular lines in addition to the general items of the competition.

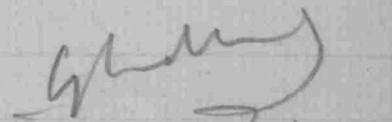

He went on to speak of the share in the club's management, the return of Capt: Wellaley wd: enable the latter to take in the near future, before taking over his old position as Club-Father, Football, Harriers, Penny-Bank, Library,

Boxing, & Club-conduct were some of the topics he reviewed with more or less satisfaction. In conclusion he encouraged the members to write for Chin-wag and if, at first, they were not successful in catching the Editor's eye, he hoped they would continue their efforts till they did.

Captain Wellaley, who received a cheery welcome, took up the tale and supplemented the Chairman's exhortation to make the club boxing a success. He said he had heard the working of the locker system was somewhat of a muddle and he would try to evolve a successful method but he admitted it was a difficult matter he would gladly welcome assistance from any member who had any ideas for their successful working.

He said he had noticed that the wearing of the club badge was not so common as in the old times. He hoped that the members would ^{not only} ~~always~~ be proud of the club to which they belonged but wear its badge with pride.

Mr Graves, Stanley Peck & H.E.S. made a few general remarks, after which, a vote of thanks to the Chairman for presiding concluded the mtg:.
