Minutes of a General Meeting held
9.0 p.m. 25th Sept 1922

Mr Wellesley (chair) supported by Messrs
Cadogan Wagg Cooper & about
150 members

Minutes of the previous general meeting
were read approved & signed

The Chairman pointed out that as
the minutes, just read, had touched
on practically every subject of the
club's activities it would be only
necessary to make a few brief remarks

He was sure that the club generally
would congratulate the Shooting Team,

Others, Harvers & Life savers on their
successes attained since the last General
meeting.

Mention had been made
in the last minutes of our position
in the Desborough Cup Competition, this
years competition had just been completed &
we had won the Cup for the Third
year in succession, our points being 54
against 24 for Fairbairn House who were

second. At the commencement of last
season he felt certain in his mind that
we should win the Desbors' this year, but
with regard to the coming season he was
not so optimistic. Many of our
members who had won points for us
were going up to the Old Boys &
unless we could replace them by
younger members, other clubs would
beat us & we should have to remove
our "Champions of London Board" from
the railway station. He quoted, as
an instance, of the necessity for
feeding the club with new members.
That this years senior swimming team
were all going up to the Old Boys,
the juniors would have to take their
place - but who would replace
the juniors. It was up to every
member to obtain others to join the
club & keep them keen. It was
impossible for the Managers or Secretary
to know the ability of each single
member, & it was the duty of each

member to help fill the gaps,
by encouraging new members to join,
& to keep them enthusiastic.
He hoped that members would patronize
the Barber more in the future.
Chen-Way which was our own "journal"
should be more supported not only
by each member purchasing a copy
but by many members writing for it
Out of Works. Members o.o.w. must
report to the Secretary once a week
if they desired to have their subscriptions
remitted. The best day to do this
was Tuesday between 9.30 am &
4.30 pm. The back door of the club
was open & members could get to the
Committee Room by that way. There
were two important reasons for members
reporting out of work. First, so that
we should know whose subscriptions
should be remitted. Secondly that we
do our level best to find jobs for
our o.o.w. members. Keen members
who reported stood the best chance

of a job came along. Since 1st July
the club had found work for 10 of
its members.

No one "struck off" can be re-admitted.
Members were again reminded that they
should pay their subscriptions during
the first month of the quarter. It caused
an enormous amount of work if
members were slack in this direction,
as each member received two notices,
a "reminder" & "final one" before being
struck off. The whips of houses would
collect the subs, or if they could not
be found Messrs Wellesley or Cooper would
take them. There was therefore no excuse
for members to get slack in payment
of their subs.

Parents night. He hoped when
we got these going again, members
would not be too shy to bring
their parents. It was only right
that parents should occasionally visit
the club, when it was working, & see
for themselves, the place & conditions

where their sons spent their evenings. There was a subject on which he felt most strongly & that was the conduct of players & punters at matches etc. The Club had a good reputation as sportsmen, but that reputation could be easily lost by the behaviour of a few irresponsible individuals taunting or shouting offensive remarks at the referee or visiting players. He hoped that all members, whether our team was winning or losing, would remember our reputation & do nothing to lessen it.

He then asked Mr Cooper to speak on House Competitions Football etc., - who announced the result of the House Competition for the past year. - Green 40 67 points, White 46, Red 37, B 26. The House Competition this year had been a great success, not only for Green Ho, who incidentally were Cock House for the second year in succession, but for all the Houses

There was however plenty of room for more improvement & enthusiasm. These House Competitions were the sole province of the House officials & the keenness & efficiency of these House officers was readily measured by their Houses' efforts in the House Competition.

Mr Cooper also trusted on the Football prospects for the forthcoming season & concluded by asking members to be careful with their games gear, billiard tables etc, as they were for the members own comfort & pleasure. It was up to the older members to restrain the younger ones from improper use of the various games & appliances of the club.

The Chairman said that as Mr Cooper had given the result of the House Competition, he would mention a subject that was greatly concerning Green House - & that was the Champion House Dinner. The date would be fixed by the general Ctee - the members to be invited would be selected by the Green House Ctee.

The payment would be as follows
 For all members of Green House who had
 actually scored or assisted in scoring
 a point for their House — no payment,
 For other members of G Ho invited — 6^d.

Mr D Murphy speaking for the Harriers
 said the numbers running were very
 small compared with the membership
 of the club. He would urge the
 younger members to turn out & try.

Last season was the most successful the
 Harriers had had but he still hoped
 the younger ones would put their
 backs into it & gratify Mr Villiers
 by beating Fairbairn next year. He
 congratulated the others on their very
 fine successes last week.

The Chairman on behalf of the others
 thanked Mr Murphy for his congratulations.
 He was sorry that the Chairman of the
 P.T. & Gymnasium was not present.
 Messrs Farmer & Lilley as the joint Hon aces
 would be pleased to have names of
 those who would join this branch of the club.

He also asked the Boxers who intended
 to join the Boxing class to put their
 names down this evening.

Had hoped Mr Wat Law could have
 been present to speak of the Drawing
 class which was held on Tuesday
 evenings, he asked members who were
 taking up this excellent branch of the
 club's activities to communicate with Mr
 Law.

Mr J Joye speaking of the First Aid class
 said that there must be more members
 if we were to retain the cup that
 had been won two years in succession.
 First aid was useful in the club,
 & out. members were very apathetic
 about first aid until some one was
 hurt — & he humourously remarked
 If you fall down & break a leg, you
 run to the first Tom Dick or Harry,
 (who probably knows nothing of 1st aid) to
 pick you up. (Loud laughter)

He appealed to those members
 who were not doing anything in

any other branch of the club on Friday evenings to join the 1st Aiders & ~~help~~ to become useful to the Club & the community.

The Chairman ~~then~~ said that as a result of Mrs Loyes very apt remarks he felt sure there would be a large attendance at the class on Friday next.

Mr Cadogan speaking of the Library, said there was an old saying - "that if you wanted anything done you should go to a busy man to do it." This was borne out by the manner in which the Librarians had carried out their work of renumbering every volume in the Library, Cataloguing & preparing cards & schemes, for the convenience of those who used the Library. The Librarians were all busy in other branches of the club activities, & he thought the members generally ~~owed them~~ should be grateful for the amount of work they had

so efficiently performed in bringing the library arrangements etc. up to date. All the Librarians asked in return was that members would observe the few simple rules laid down.

Mr Cadogan further said that as Chairman of the O.B. he was not in a position to always be over "this side" in all their activities, but there was one thing in which he was particularly interested & that was the House Competition. He was very desirous of having this Competition in the O.B. Club & of seeing it the success that it was in the Boys Club. This could be brought about by the members going up who were well versed in the operation of the House Competition, would forward & push the idea in the O.B. Club. He knew quite a lot about the members who were about to go up & altho' the boys club were losing them, the loss would be the Old Boys gain. The Boys club must make good by

finding new members to take the place of those going up. He heartily congratulated the Club on winning the 'Desbross' for the third year in succession.

Mr Wagg speaking of the Club Penny Bank said that it was different from the other subjects of which they had been speaking — they dealt with things you were doing for your club, but the Bank was a thing you could do for yourself. It was the place to provide for a rainy day — also a sunny one — as one day you might be looking forward to getting married (laughter) Deposits of 1d. upward were received & he hoped members would make a start of by saving a little every week, & keep it in the bank.

There were Hospital letters & dental letters for the use of members & their families which could be had on application. There was also a Bath chair which was at the

disposal of members their relatives or friends (applause)

The Chairman remarked that their was nearly £3000 standing to the credit of members in the Club bank.

He announced that at the conclusion of the meeting House meetings would be held for the election of the General Committee.

The Meeting closed with a hearty vote of thanks to the Chairman for presiding

W. G. Clarke reported to Mr Cooper on Monday 16th inst that the letter asking to resign sent last week was written in a moment of pique caused by the Captain of the football team continually shouting at him during the game. He was aware, now, that his attitude was foolish & unsportsmanlike & asked if the letter could be considered as "not sent." & his membership resumed. Mr Cooper pointed out that the pencilled note of resignation had been received too late for consideration by the Cte & that no action had been taken - he therefore was still a member. Clarke thanked Mr Cooper & said he was glad to remain a member. — This

evening just before the Cte assembled, a small boy brought a letter to the effect that he had seen on the Selwyn Club Notice board that he had been elected to the Selwyn Club & therefore wished to cancel his statements to Mr Cooper the previous evening, & resign from the Eton Manor Club & join the Selwyn.

It was decided to ask him to appear before the Cte on Tuesday next.

Library It was reported that ^{2c} H. Dunn & H. Lambeth had appeared before the Library Committee & that their explanations had been accepted.

Gadeke appeared after suspension & was cautioned as to his future behaviour.

Practice Dances. A report was received from the sub committee appointed to discuss this subject. The report, which was read by the Chairman, mainly consisted of suggestions, unfavourable to holding these dances on a Saturday night & proposing to hold them on other evenings in the games room. The Chairman pointed out, (1) that in view of the Committee's resolution of last week "that if these dances were held at all they must be on a Saturday night". (2) That the Managers were not prepared to allow the games rooms to be used

for this purpose," the report was of little value.

A proposal that ladies should be allowed to attend these practice dances, was put & lost, after the Chairman had stated that should this proposal be carried - it would practically be only a suggestion for the consideration of the Managers, as ~~being~~ it would be introducing a distinct departure from the ordinary club procedure & constitution, & therefore outside the scope of this committee to make a definite ruling on without the consent of the managers.

Mr. Selley stated that he feared the matter would have to drop as the majority of those who put their names down, did so in the hope some other night than Saturday might be allotted.

evenings only, to put their names on & consider this list on a future ~~meeting~~^{27th} date

Shower Baths on Tuesdays. W. Deane complained that he had been running & had been ordered to leave the shower bath. The Chairman pointed out that the present arrangement was for Footballers ^{who were} members of the Athletic Society were allowed to use the Hall & baths on Tuesdays. It would appear therefore that the Secretary of the Athletic Society was quite right in not allowing others to use the baths. It was decided to discuss the matter at the next meeting to see if it were possible to accommodate, with baths, other members of the Athletic Society who were training for special events.

Ref & Pudding Handicap It was agreed that the best date for this would be Dec 30th as a dance was being held on Sat Dec 23rd.
