 Mr Wellesley in the chair supported by Mr Cooper &
 the following members of the Committee G Humphreys
 A Graves J Mc Keir L Silson G Cooper B Lovell
 J Tong E Lewis G Jennings J Tilley A Cooper & Redgewell
 Minutes of previous meeting were read approved & signed
 The Chairman extended a warm welcome to Mr A.

 this up ready for next Ctee Meeting.

The Football Ctee reported that E Phillips had
 failed to return his shirt when requested. For
 this he had been fined 6^d & ordered to pay
 the fine & return his shirt by last ^{Tuesday} night. In
 addition the football Ctee had informed him
 he would not be considered for playing in the
 next three matches. He had refused to
 pay his fine & although he appeared at the
 Club on the previous Saturday with his shirt he
 had refused to hand it over either to the
 football Secretary or Captain of the team.

The football committee sent the report to the General Committee with a recommendation that he should be suspended until his fine was paid & shirt returned.

Mr Lovett said he had heard that Phillips had stated to the football Ctee that they could scratch his name out of all games in future, & was generally defiant to the football Ctee when he was before them. Mr Cooper said this was so, but the Football Ctee had not reported that, as they did not wish to appear vindictive against him.

According to Mr Jennings who issued the balls at the opening of the club they were all right at that time. About 20 minutes to 8

Mr Tilley found them broken. It was decided to call W Morton for next committee to see if he could give any information on the subject.

J. Sherwood appeared for disobeying a Committeeman. He was severely cautioned & informed if he came before the Ctee again on a similar charge they would take a very serious view of it. It was decided to summon H. Rapson to appear at next weeks meeting.

A query was raised as to whether W Johnson had been struck off. Some doubt appeared as to which W Johnson was meant. It was decided to look into the matter before next meeting.

The Chairman read a letter from Mr Wellesley, who was attending the Federation Recreation Competition, calling attention to the absence from

Ctee duty on Saturday & Monday last of Messrs Williamson & Wilson, & to the fact that they had wanted to change their night, but no other member volunteered, so they had to remain for duty on their night named.

The letter continued. "No member of the club is forced to sit on the Ctee but

if he does sit, he clearly understands that he must do his share of the work - & this includes Ctee duties - whether or not the night suits his convenience. The Committee know that we all work for the good of the club & if anyone is not prepared to place this in front of his own personal convenience it would be infinitely better if he would at once resign from the Committee. Mr Cochrill said he heard Williamson had 'fled' but Mr Cooper pointed out that he was playing extremely vigorous football between 4 & 5 p.m. Mr Swift at this moment came into the room & Mr Cooper asked him if he would kindly take the chair & read the letter from Mr Wellesley. Mr Swift did so & added some forceful remarks. Mr Swift then had to leave the meeting & Mr Cooper explained to the members that as he had a bad cold he was afraid that some of the members may not have heard him distinctly when he read the letter, hence his request to Mr Swift to read it.

 confusion of these two, owing to the similarity
 of initials & to the fact that one was a
 schoolboy from whom no subs were collected.

A complaint was made by the Hon: Sec of the
 Football C'tee that members, including four of their
 C'tee were kicking a football on the ground in
 front of the Club, contrary to club rules. The
 Chairman pointed out that it was useless to have
 other offenders up, as they would point out that
 the Committeemen, who were responsible for the
 rules being kept, were the principal offenders.
 If Committeemen could not observe the rules of
 the club, surely it was best for the club if they
 ceased to be Committeemen. They must remember
 that the breaking of a rule in itself was not nearly
 so serious as the bad example the offenders set for
 the other members. It was decided in future
 to fine ^{members} offenders 6^d for the first offence & an
 increased fine for a subsequent offence & to
 communicate this decision to the O.B. & Veterans
 Committee with a view to securing their
 co-operation as it was reported that members
 of both these clubs were also offenders
 It was decided to post a notice that a deposit of
 3^d was required for games issued in the game room. It
 was agreed that a C'teman in the event of a
 member not having 3^d to deposit, could

Attention was called by the chairman to the absence from Ctee duty on the previous evening.

The Chairman pointed out that only a fortnight ago, a letter was read from Mr Walleley to the Ctee, stating that "if a Cteeman could not attend to do his Ctee duty it was better for all concerned if he at once resigned." Young members were naturally very much annoyed to find when they came of an evening that there was no Cteeman present to issue games. This state of things gave to the newly joined members an impression that the Club was very slack. He hoped that the members of the Ctee would give this matter serious thought.

House Officials were reminded that the House Drawing Competition takes place on Tuesday next.

A letter from the Harriers Ctee was read re
 giving medals to winners of House sports events.
 After considerable discussion the Ctee decided

Mr Cooper read minutes of previous General Meeting
The Chairman in his opening remarks
dwelt on the progress of the club during
the passed season & its prospects for the
future. The Destborough Cup Competition
although not quite finished as far as other
clubs were concerned, was so far completed
by us to ensure us being the winners by
at least $\frac{1}{2}$ a point. It was possible for
us to increase that lead by 1 pt on

Sunday next by winning the Tennis final.
We thus held the Championship for another
year making the sixth consecutive one
in which we held the championship
We had however had a very close shave
to losing it & it was obvious that if
we were to retain it next year we must
discover & train all the talent in the
club.

Mr Eyre spoke of the boxing prospects
& arrangements for the forthcoming
season.

Mr Cooper spoke of Football, Shooting, Tennis etc etc
Mr Wagg gave excellent advice re joining the
Club Bank, & Mr Selby made some humorous

 the success. He pointed out the value of
 tact & if the Committeemen would only
 try & be tactful, & above all - by ^{the} example of
