If we were to win back the Desborough Cup, this year, it was very essential not only for those members of the Committee who were representing the Club in the ensuing Competitions, to train hard, but, also, to entuse the other ~~the~~ club members who were representing the Club. The annual General Meeting of the Boy's Club was held on Tuesday 20th Sept 1927 at 8.45 pm D^r Scott in the Chair supported by Mess^{rs} Villiers, Cadogan, Pakenham, Howarth, Gilbey, Cyre, Wansbrough, Elliston, Cooper & about 250 members

Minutes of the previous meeting were read, approved & signed.

The Chairman having explained the object of the meeting reviewed the activities of the Club during the past season. With regard to the future, he emphasized how much the success of the Club depended on the new members who had joined. We were very fortunate in having so many new & keen Managers

who were going to assist in running the various departments in the Club. Judging by the size of the meeting & the enthusiasm, the prospects of the Club for the future were very bright. Mr Villiers speaking of sports generally, said that it was impossible for every member to represent the Club as the first string, but it was the second string that could help so much by being keen & keeping fit. In the matter of unemployment, he said that Mr Cooper was in touch with a number of employers & that if members who were out of employment would let Mr Cooper know as soon as possible, efforts would be made to try & find them jobs. It would also be a great help if members of the Club knowing of vacancies occurring for employment would notify Mr Cooper so that he would be able to fill such vacancies with members who were out of work.

Mr Howarth reminded members that there were of things in the Club besides football, cricket & boxing. If only members would take seriously to reading, essay

writing & recitation they would find these subjects far more interesting than they appeared to be on the surface & what was more would find in them a means of education which would be of great help to them in the future.

Mr. Eyre spoke of boxing & the absolute need of keeping fit. He thought there was nothing like boxing for general fitness.

Mr. Elliston spoke of physical training & the great benefit all members would gain by attending the physical training classes.

Mr. Gilbey said that it was a splendid meeting ~~on looking~~ & he was glad to be able to look around & see so many keen faces. He pointed out that every year a large number of members blew out of the Club mainly through slackness in paying subscriptions. He asked all those who thought they would drop out of the Club before next year to put up their hands; no hands were raised. Mr. Gilbey then said it was sometimes his business to give tips & he unreservedly tipped Eton & Marlborough for the Deaborough Cup next year.

Mr. Pakenham said he had heard from

Messrs. Chadwode, Gott & Shaw-Kennedy who were unable to be here tonight but hoped to be able to come to the Club very shortly. He said that if any of the boys would like to play against an Oxford University team he would do his best to arrange a match.

Mr. Cadogan said that Mr. Gilbey had given him a clue as to his speech when he remarked on the splendid attendance at this meeting; he regarded it as a tribute to Mr. Scott, the Chairman. He apologized for his absence from the Club during the past year and put it down to old age. He was pleased to see the new Managers who he felt sure would keep the torch burning & hand it on.

Mr. Wansbrough said he was quite a new member but had had dealings with the Club about five or six years ago, when the Club boxed at Eton & thoroughly beat the college representatives. He hoped now to be able to be of some assistance to the boxing club here. Referring to Mr. Pakenham's invitation for the boys to play against an Oxford team, he said Cambridge

would not be beaten by Oxford & if the members would like a game against a Cambridge team, he would do his best to arrange this.

Mr. Cooper spoke of the Desboroughs Cup Competition & reviewed our position under the old scheme & under the new.

He also gave out the points of the House Competitions & asked the Chairman to present the House Shield to the Captain of White House - the winners. He emphasized the need for every member to take up some activity in the Club & to wholeheartedly train & determine to keep the Club as an example to all other Clubs.

The Chairman in his closing remarks reminded the members that the good name of the Club was not only for sportsmanship but had been earned by members' behaviour and general bearing when outside the Club. He hoped that the new members would remember this at all times.

The result of the ^{ballot} election for the General Committee was as follows:—

The Chairman called attention to the great necessity for the members of the Committee to act with decorum whilst new members were in the room: they must remember that these members came before the Committee for the first time knowing very little of the composition of the Committee or of their authority. It did not help the Club that these new members saw the Committee paying no attention to business but talking chattering & laughing whilst the Chairman was checking the new members' birth certificates & putting them into Houses. He hoped that the Committee would bear these remarks in mind in future. The meeting closed with a hearty vote of thanks to the Chairman for presiding.

The Committee met at 9.0 pm on Tuesday, 13 Dec 1907
Mr Cooper in the Chair supported by Mr Rendere
& the following members of the Committee:

R. Brown E. Bass B. Lutterbeck W. Cripps J. McKie
E. Lusty L. Lewis C. White E. Collison F. Levy
G. Tiley G. Chandler E. Poole W. Hales.

Minutes of previous meeting were read approved & signed.

R. Ellis did not appear re his Committee duties. It was decided to write him asking him to give a definite decision as to whether he is able to carry on his Committee duties or not.

Committee duties for ensuing week were allotted.

Mr Cooper suggested that it might be a good thing to run a ping pong handicap, 21 up on Christmas Eve, in conjunction with the billiards heap & pudding. The Committee were unanimous in approving this.

Brown, Lusty, White and Chandler agreed to form a sub-committee to select the players for indoor games v. Webb on Saturday next. They would meet

at 9.0 pm Thursday.
 Poole raised the question of an ex-member named Kerk who complained to him that he had been shabbily treated by the Club in being struck off as he had only received one final notice. The Chairman pointed out that every member knew his subs had to be paid during the first month of the quarter. Every member in arrears received a reminder postcard and if his subs are not then paid, he receives a final notice. These reminders & final notices were really acts of courtesy on the part of the Club & in no way relieved a member of his responsibility to pay his subscriptions. If, however, Kerk - the ex-member in question - would write to the Secretary asking permission to appear before the Committee, the letter would be placed before the Committee for their consideration. Tilley called attention to a practice recently obtaining, of members of the Committee discussing what had passed at Committee in the bar among other members. The Chairman pointed

how essential it was, if the Club were to be run well, that the happenings in Committee were kept to the Committee men themselves, and decisions of the Committee passed by the usual channels to the other members of the Club. However much Committee-men ^{may} ~~might~~ be divided on any question, once a decision is reached it must ~~be~~ come forth to the Club at large that it is the Committee's decision & not just the decision of one or two of the Committee. He hoped members would realize the necessity for this & refrain from discussing what happens in Committee with members who are not Committee-men.

The meeting closed with a hearty vote of thanks to the Chairman for presiding.

He hoped that every Committee-man would be present & do his utmost to make the evening successful.
