The Chairman said he would like the opinion of the Committee on the matter of doing something ~~for~~ to help some of the boys in the distressed mining areas of South Wales. It had been suggested that a practical way to help might be to feed & house seven or eight

boys between the ages of sixteen & seventeen at the Club for about three months during which time a certain amount of work might be found for them at the Wilderness & at other times they might be looking for work on their own. H. Cooper 12/11/28

The Committee met at 9.0 pm on Tuesday, December 18th 1928
 Mr. Cooper in the Chair supported by the following members of
 the Committee L. Edwards A.S. Brown J. Ellett H. Hoble
 A.C. Brighton E. Dusty N. Pettyphes L. Gates E. Collison
 L. Lewis C. White W. Cox E. Tosses C. Poole A. Hellens
 Minutes of previous meeting were read, approved & signed
 Committee duties were allotted.

The Chairman reported that Beales had paid his sub.
 Arising out of this case & in response to a question as
 to the powers of this Committee over sub-committees of the
 Club, the Chairman pointed out that the powers of this
Committee had been defined from time to time on
 similar occasions. First it must be remembered that
 only this Committee had the power to suspend or expel a
 member & that any member of the Club has the right
 to appeal to this Committee against a punishment or fine
 inflicted by a Club Sub-Committee. This, however, must
 not be taken to mean that this Committee could interfere
 with a Sub-Committee pursuing its proper functions in
 running its section in the Club. For instance, it is
 quite conceivable that the Rugby Section or the Harris's
 at their general meeting might elect members of their
 Committee to run their sections for the twelve months and
 deliberately vote against certain members of the General

Committee being elected members to such sub-committees. It
 will be seen, therefore, that any attempt by the General Com-
 mittee to interfere with the sub-committees' purely depart-
 mental work would be contrary to the wishes of the mem-
 bers forming those sections of the club. It has been proved
 by experience in running the Club, that it was difficult
 to lay down a strict line of demarcation between the
 duties of the Sub-Committees & the General Committee &
 much must be left to the merit of a particular case
 and the commonsense of the Committee.

The following new members were elected:-

A. Burgess E. J. Halford S. W. Hart G. Harvey H. J. Head
 A. Palmer W. C. A. Payne J. Peck C. H. Shergood W. R. Westall
 D. H. Wells L. R. Gates

It was decided that a sub Committee of five, one of whom
 was to act as Chairman, to draw up the Beef & Pudding
Handicap on Thursday next at 8.30 pm. The ~~draws~~ would be
 typed in the office on Friday & placed on the board on Friday
