The annual general meeting was held on Thursday 24th September 1931. Mr Gilbey in the Chair supported by Dr Scott, Mr D. Shaw-Kennedy, Mr E. Hartley, Mr F. Hartley & about two hundred members. Dr Scott read the minutes of last year's general meeting which were approved & signed.

Mr Gilbey expressed regret that Mr Villiers, Mr Wellesley, Mr Haworth & Mr Baring were unable to be present. He had to undertake the unpleasant duty of announcing that owing to the present financial situation the Managers found it necessary to make alterations in the subscriptions due from members. These alterations would operate from October 1st 1931 & would be as follows:—

Senior Subscriptions to be increased from 2^d to 6^d per week

Junior Subscriptions to be increased from 2^d to 3^d per week

This announcement met with a mixed reception from the boys

In addition, Mr Gilbey continued, all members playing games or taking part in any sport would pay 1^d per week extra. Schoolboy members would pay subscriptions in future.

Swimmers would pay 1^d per evening at the baths.

Any member one month in arrears would receive warning if he failed to pay by end of week would receive final notice & if by following weekend was still in arrears his name would be struck off the Club Register. A member would be fined 1^d for receiving a warning & 2^d for final notice over & above subscriptions due.

Towels would in future cost $\frac{1}{2}$ ^d each. Members might bring their own towels if they liked.

Mr Ernest G. Harthy then reviewed the past season. Indoor games had been satisfactory & would most probably be held on Thursday evening during coming season. First Aid Class again won Federation Competition thanks to Mr Joe Tye: owing to their knowledge of this subject Club boys were able to render aid to a child with a severely cut finger at Camp & thus avert serious consequences. Map-Filling had been a success, the first three places being filled by Eton Manor Boys. Thanks were due to Mr Hardie who worked hard at this class. We also won Rifle Shooting & Senior P.T. Second in Junior P.T. Dramatics had not been successful, if we wanted to win the Competition this season a special effort must be made. The Seniors won the ^{1st} Football but the Juniors did not reach the finals. Federation Boxing:—Russell & Cooke won their weights. Mr F. Mallin to be congratulated on winning A. B. A. Boxing Championships for the 4th year in succession. Also to A. Scottnes who won his division but lost in the finals at the Albert Hall. The Harriers won the ^{1st} Cross Country Race for the first time in the Club's history: Aired 4th by home. They were also successful in Fed Athletic Sports being only two points behind winners

F. Mann equalled Ted. record in $\frac{1}{2}$ mile. ~~in~~ Open Water & Bath Swimming ^{were} won both ~~his events~~ thanks to help from W. Paring. Juniors won Ted. Cricket Cup for 4th year & Seniors were in Cricket Finals & would probably share points & cup. The Desborough Cup had been won again with 136 points; this had been easier than in former years owing to Hutton Manor having split their Club into two for Federation Competitions. Thanks ~~to~~ were due to the Hon. Secretaries: - Herbert Barnes, Leslie Golding & Jack Lilley & George Lilley who had worked very hard to help the boys.

Mr Gilbey again addressed the meeting & said that members probably felt aggrieved at the rise in subs. Members should ask themselves if the Club was worth the extra amount of subs to them, & if any members thought it was not worth the extra they did not deserve to belong to Eton Marrow which was the best Club in London & had enormous advantages. He hoped all the members were like the Campers who were so good at Camp.

Mr Shaw Kennedy said that members who put their names down ^{for games} should play these games ^{seriously} etc. It was up to each member to pull his weight in the Club, & make his own enjoyment while there.

Dr. Scott asked all members to back up the new

Committee which would be elected this evening. They would follow a very good Committee & would probably find this coming season a difficult one.

Mr Gilbey then announced that 90 members took part in the Federation Competitions & helped to win the Desborough Cup: The Desboro' Dinner would be held on 31st October. The House Dinner on 28th November. During 1930-1931, 196 new members were elected, 35 members were transferred to Old Boys' Club on reaching the age of eighteen, 275 probationers were admitted & 182 were struck off Club Register. There were 95 members in Red House, 18 in arrears of subs, - 92 in Blue House, 26 in arrears, - 86 in White House with 23 in arrears & 80 in Green House with 19 in arrears.

The new Committee was then elected & was composed as follows: -

Red House	J. Rogers (Capt). W. Boulter (V. Capt)
	M. Foreman & C. Peters (Whips)
White House	A. Giles (Capt) C. Phillips (V. Capt)

The meeting then closed.

The Chairman welcomed the new Committee.

Mr. Foreman asked whether the reason for the increase in subscriptions was due to expense caused by having such a large membership, and if so could it be remedied by cutting down the numbers. After a short discussion the matter was dropped.

It was then asked, if a boy could take part in active club business and yet be a super-numerary but the Chairman said that this could not be allowed. If, however, a boy found that after paying his fare to attend the club, it was not possible for him to pay his subscription he should speak confidentially to one of the managers and his case would be given a fair consideration.

General Meeting

The Annual General Meeting was held on Thursday 29th Sept 1932. Mr. Gilbey in the Chair supported by Mr. Villiers, Mr. Baring, Mr. Howarth, Mr. David Shaw, Kennedy, Mr. Ernest Hartley & Mr. Frank Hartley & over two hundred members.

The minutes of the previous meeting were read, approved and signed.

Business arising from Minutes:— Mr. Gilbey said that the raising of the rate of subscription had been an overwhelming success & that the response of the members had been greatly appreciated by the Managers. It would not be necessary to make any further increase in Subscriptions. One of the great advantages of the Club was that the more a member did for the more that the Club did for that member.

Mr. Gilbey, continuing, said that Camp had been a greater success than ever, this year. There had been 66 full time campers & over 80 at weekends.

From 1st October, there would be a change in the method of collecting subscriptions. Each member would now be given a card on which all subscriptions must be entered by the Committee-man on duty when paid in by the member.

The new Committee for this coming year had been chosen by the Managers from lists of eight

members sent in by each house. It was hoped by this means to secure a more representative Committee than in previous years. The following were the new Committee-men.
