

The Committee met on Tues. Feb. 13th at 9 p.m.

Present Mr. Wallerley in the chair supported by
Messrs. H. Andersen, G. Gilby, H. Swift & Mr. Wilcox
also Messrs. J. Reed, H. Brownrigg, H. Barnes, W. Emsworth,
W. Forrester, S. Smith, E. Hayes & E. Peck.

The minutes of the previous meeting were read
dealt approved & signed.

On the point of business arising upon minutes
of former meetings the chairman pointed out the
Ctee's efforts to make the bottom room more popular with
members appeared to last meeting with a considerable
amount of success. It was decided to continue for
a time on same lines & to watch developments.

Messrs. G. Gilby & W. Forrester notified the meeting
that the Hanover Club had gone into the list of汉密士
on the previous Friday & had drawn up & posted a list
of those who had lapsed from active membership & who were
thereupon called upon to pay the fee of 6^l. It was
agreed that time should be allowed for the payment of this
& motion made of same at coming general meeting.

In view of the latter it was decided to hold
the monthly Committee Mtg. $\frac{1}{2}$ hour earlier than usual on
the following Tuesday, i.e. at 8.30.

Mr. Wallerley complained on the poor attendance of
members at Mr. Bowles' entertainment on the previous Saturday
& called the Ctee to try this up at the general mtg.

It was felt to be the duty of all members to
support those entertainments.

Committee duties for the following week were
arranged & posted.

The chairman enquired the reason of S. Williamson's
absence from Ctee & also from club on a night when
he was due for Ctee duties. It was felt probable
that Williamson was working late & that his
absence was unavoidable, & chairman promised to enquire

Six candidates for membership of club
appeared before Ctee & had the rule explained to them
after their names had been entered in the probabilities book.

A. Peacock came before the Ctee to show his birth-

certificate, which was found to be in order.

The chairman brought up the case of F. Hayes who had left the club some eight months previously & was now anxious to rejoin. It was pointed out by the chairman that this would be impossible owing to the rules of the club - unless the latter found the circumstances connected with Hayes's departure particularly extenuating. In such case an exception could be made.

The Ctee. took the view that no exception could be made in Hayes's case. W. Ensworth rendered the meeting that he had himself been successful in getting the chairman to see Hayes in February, with a view to inducing him to return to club before his membership had lapsed, but had been unsuccessful in his efforts.

Hayes was called before the Ctee. & informed of their decision not to readmit him.

Mention was made of the notice of concert which had been scribbled on by some person or persons on the previous Wednesday evening.

The Ctee. had no knowledge of the offender, & it was decided to ask Mr. Woodbridge & to warn members that this was considered a serious offence.

It was proposed by Mr. Hayes & seconded by Mr. Park that owing to his child's night work making it impossible for him to appear in club sufficiently often to play his dominoes & lawn tennis games, the entrance fee to tournaments should be remitted in his case & also in that of his partner of Ensworth.

Mr. Swift & Mr. Williams spoke against this, pointing out that it was unusual & against the rule.

On a show of hands the motion was carried by 6 votes to 4.

H. Barnes brought up the question of club badge holders, suggesting that the list should be increased.

It was decided to go into this on Tues. Feb. 27th.

J. Reed undertook to collect the names of those willing to enter for Federation under a invitation competition.

Proceedings terminated at 10.15 with a hearty vote of thanks to the chairman for presiding.

The Club met on Tues. Feb. 20th at 8.30 p.m.

Present Mr. Wellerley (in the chair) supported by Mr. Derry Mr. John Radcliffe, Mr. Kincaid, Mr. Gilby, Mr. Tolchachev Mr. Rivers & Mr. Swift. also present a full Club.

The minutes of the previous meeting were read & duly approved & signed.

The Club duties for the week were arranged.

Mr. Williams & Macdonald were called before Club to show birth certificates, but were found to have forgotten to bring same.

On the proposal of E. Hayes seconded by W. Foster, A. Hart, R. Cook, T. Cook, & R. Allen were elected members of the club & duly appeared before the Club.

A number of probationary anxious to join were also called before Club & after their names had been entered had the reason explained to them.

Mr. Reed reported that he had not yet had time to collect names for Federation Essay Reading & Recitation competitions, but would do so at once.

The chairman reported that he had omitted to ask Mr. Woodbridge as to alteration of notice.

The Club felt that several members of the club had lately been very unsatisfactory in their behavior especially E. Bennett, W. Buckley, J. Brewster, W. Herbert, E. Tollday, A. Parish & H. Spencer.

It was decided to suspend reprimand these & to take away badges from those holding them with the exception of E. Bennett who was absent they were called before Club. warned & urged to try & be better & now unfit members of the club & their badges taken away.

W. Herbert having lost his badge was told its full value of same to Mr. Woodbridge.

They were all warned by the chairman that unless a good change came over them they would never be admitted to the Old Boys Club.

The sum of £100 was deferred until the following week.

The meeting closed at 9 p.m. with a hearty vote of thanks to the chairman. G. B. Miller 29/1/12

a General meeting of the club was held on Tues. Feb. 20th at 9 p.m.

Mr. Wellerby was in the chair supported by Mr. Gilby, Mr. Swift, Mr. Villiers, Mr. Way, Mr. Belgrave, Mr. Tidmarsh, Mr. Rogers, Mr. Kincaid & Mr. Chubb. Present some 80 club members.

The minutes of the previous meeting were read, duly approved & signed.

The chairman commenced by congratulating members on the large number present both of members & of friends of the club. He added that he did not remember any meeting which had been better attended by members themselves or when there had been a greater number of friends & supporters of the club present (Lord Chubb). They would be glad to have from the manager of the largest boys club in London, namely Mr. Newboys Club one amongst them who had come down to attend the meeting. This latter club had over 1,000 members, & it was, he felt, an honour that they should be considered by the managers of the Newboys Club the first club to go to to see how a General Meeting was run. (Chubb).

In reviewing the doings of the club during the 13 months that had elapsed since the last general meeting Mr. Wellerby first touched on the Harriers. There had he said been the usual unavoidable falling off in the numbers of them since the season began. A number of members who had taken advantage of the arrangement by which Harriers were admitted to the Boxing class without paying entrance fee of 6^l. had since passed from active membership of Harriers & had recently been called upon to pay the fee by Harriers club.

He hoped this would be done so one. The general slackness of majority of Harriers was he felt deplorable, but this could be remedied now by those more intimately connected with the management of that body.

Passing on to football. All those club teams had met with great success, & they could now reasonably hope to add to their collection of cups at the end of the season. He would appeal to all members to learn to "play the game" properly, & never to grumble at the referee, or complain about their opponents as so many clubs did. Let the club representatives be always known for their sense of good sportsmanship (hur hur)

We could not, Mr. Wellerby added, be fair

To leave the subject of football without recording the dues debt of £100 which the club had to their referee Mr. Jack Davis. (cheers). (A vote of thanks to Mr. Davis was carried unanimously amidst loud applause). It would be hoped he long before Mr. Davis severed his connection with the club.

He would not dwell long on the subject of Boxing, as that would be dealt with later by Mr. Wagg. He would say regard members of the proposed competitions v. The Athlone in April, & of the Federation Competitions which was fixed for Apr 20, 22, 23, 24.

Mr. Waller added that he had however been given a list of "subs. in arrears". It was not a pleasant subject to have to touch on, & he hoped that all members would see that there was cleared off at once.

In conclusion he would add how pleased he had been to note the large attendance of members at the Sunday service for the Club on the previous Sunday. He hoped that all members would realize that this was part of their Club life, although it was never made in any way compulsory.

There were numerous other points on which he proposed to touch &c. as there was a number of other speakers present, & also a number of visitors who would probably have parts of business to bring up, he would leave those subjects which he had in mind until the end, in the hopes that others might deal with them & render it unnecessary for him to talk more than was necessary. He asked these speakers to facilitate the progress of business by continuing to afford speakers the same couple hours.

Mr. Gilberg & Mr. Kinnaird dealt at some length with the question of Hammers. It had been most conceivable to rule the fallow off in this branch of club athletics & they urged members to do all in their power to make it more strongly supported.

Mr. Wagg congratulated the club on the success of its band class, & particularly on the wins recently achieved by T. Clifton. (cheers.)

Mr. Swift spoke on the subject of the 1st Bank, adding that he wished he could take advantage of it himself.

Mr. Villiers touched again on the subject of Hammers & added that he hoped the facilities afforded by the new club-house would induce more to run at another year.

Mr. Rogers endorsed what the previous speaker had said on the subject of the Sunday Service.

The question of the duty was raised.

After some discussion a vote was taken on the various schemes proposed, & it was decided that the allowance be held on Whitbourny & that members pay in contributions towards it on a sliding scale according to the wage earned.

It was decided to make the allowance a trip to Hove Bay.

J. Henson asked whether, in view of the fact that the Junior Bachelors had a Badge, the Bosom class could not have one as well. The chairman replied that this could most certainly be arranged if members voted for it & that he would be glad to hear members views on the point. Both the chairman & Mr. Wagg agreed that it had better be left entirely to members, but pointed out the likelihood of all the athletic subsections of the club wanting their own badge, if the bachelors had one.

After some discussion, a division took place as to whether any extra badge was desired by members.

It was decided by a very large majority that

members did not wish for a further badge for any of the club subsections.

Mr. Waller reminded members that he had a number of hospital letters if they were ever required. He also asked members to be particular to extend the warmth of welcome to any strangers visiting the club also to all new members. The Committee had found it necessary recently to caution one or two members about their behaviour in the club. He urged them & all others to remember that the good name & welfare of the club was in their hands, & called each one to endeavour to do something in the club.

He reminded members that only those who were regular, keen & enthusiastic members would be admitted to the Old Boys. To which it would be a privilege to belong. A which privilege would only be awarded to those who had behaved to deserve it.

The Committee & Managers had often to perform unpleasant tasks, & could only perform them in the way that was necessary for the good of the club if backed up by all the members therefore.

Mention was made of the prosperity of the Junior Bachelors' Society. It was decided to hold the club's annual supper after Easter each member paying ^{one} ~~one~~/- & a cricket match in April, after which a ^{one} ~~two~~/- ^{one}/- ~~one~~/- meeting closed at 11.15 with hearty votes of thanks to the chair and a resolution

The committee met on Tuesday Feb 27th at 9.30 p.m.
Mr. Wellerley was in the chair supported by Mr. Gilby, Mr. Keirnald,
Mr. Anderson; all committee except G. Smith were present.
The minutes of the previous meeting were read, duly approved
& signed.

R. Northcote & W. Macdonald appeared before the committee to
show their birth certificates.

On the proposal of W. Emworth & seconded by S. Williamson
W. Lester, T. Rose, & J. Sydenham were elected members of
the Club, & approved before the committee & were informed
of same.

H. Gillen was afterwards elected & also called before the
committee.

A number of candidates anxious to join the Club were
named before the committee, their names entered in
the probations book.

J. Reed reported in answer to a question by the chairman that
he had omitted to collect names of those anxious to enter
for Federation reading, essay, & recitation competitions,
owing to pressure of business.

It was decided to postpone the revision of list of badge-holders.
Meeting closed at 10 p.m. with a hearty vote of thanks to
the chairman, the Vice-chairman for presiding.

promptly re-introduced to Mr. Waggs.

S. Vicker appeared before the committee, as several had complaints
about his behaviour in the club, & was cautioned by the chairman
to behave better, or his badge would be taken away.

Mr. Swift suggested that it would be more effective, if a list of

members, who had been causing trouble, should in future be posted up in the club. He thought that members would feel the disgrace of being posted on the board, more than being brought up before the committee.

It was decided to do nothing definite before hearing Mr. Wallerley's view.

A notice, at the suggestion of the committee, was put up in the club compelling the Harriers, who had bailed out, & who had not paid the entrance entrance to the boxing, to pay up before next Tuesday March 12th, or otherwise they would be struck off the list of boxers, until they had paid.

The chairman suggested that a note of condolence should be passed to Mr. Wallerley, & a hope for his speedy recovery.

The motion was carried with much acclamation, that the hearty note of thanks of the chairman, & Vice-chairmen were nearly forgotten. However they were not forgotten, & they ended a successful meeting.

A general meeting of the club was held on Tuesday June 11th.

Mr. Waller was in the chair - supported by Mr. Gilby, Mr. Swift, Mr. Evans & Mr. White.

The minutes of the previous meeting were read and approved & signed.

The chairman then proceeded to review the doings of the club during the past quarter.

Having he would not dwell on, as this could no doubt be done later by Mr. Swift & Mr. Gilby.

Boxing had been most successful in every way. Bokars had for the first time attended for the Federation events & their efforts had been attended to great success. (cheers). They had also handsomely avenged their previous defeat at the hands of the Athlone T.S. by winning this year all the contests excepting two.

The great success of the Bokars & universal enthusiasm displayed by them did great credit to their popular trainer Mr. Wagg (cheers) & their energetic secretary H. Barnes (more cheers).

The hope expressed at the last meeting that the

76

club footballers would add to the trophies already in the possession of the club had not been without good reason, & he was proud to say that his team 3 caps & 1 shield had been captured by the club - which in itself was almost a record for one season (loud cheers).

Subscriptions were - so far as he knew well paid up & it was not necessary to go into detail.

The club supper & concert - which had been deferred until Kildare until his return - had now been fixed for the following Saturday June 18th. & would be attended by all members.

The officers were as usual "other than ever" (loud cheers) & members would all realize how much this was due to their hon. sec. Mr. Jack Davis (loud cheers).

He would remind members always to study the notice-board at the baths - also of the fact that 1½ tickets for 2nd class Rail could always be obtained from Mr. Woodbridge. The platters which had been taken on June 1st had turned out most successfully & could be had from J. Davis. Dancers were being taken in hand by experienced ladies.

In view of the fact that there were several speakers present he would reserve his further remarks until later in the evening.

Mr. Sutler on rising amidst loud cries of cheer dwelt on the necessity of every member striving to uphold the honour & good name of the club.

Members knew what he felt on the subject of their making deposits in the Bank so he would do no more than say "so be it".

(at this point Mr. White called the room amidst loud cheers).

Mr. Gilby pointed on the success of the Havers since the last general meeting, & urged members to make a further effort next year.

Mr. White informed the members of his great pleasure at being present - remarking that it was the largest meeting of any Boys Club that he had ever seen.

He asked members to be careful not to forget that they had a maid to be looked after as well as a body.

Mr. Evans endorsed what Mr. White had said above the transaction of the maid, & promised members that he would do his best to help them.

Mr. Wallerly a rising youth at some length on the arrangements which were being made for camp. He hoped that that of 1912 would be even more successful than the one which had preceded it. (loud cheers). He was always ready to do his best to get the "time off" for members who were unable to get it for themselves, & would be glad to take names of any members afterwards who wished him a interview or visit to their employer.

It would not do to close without a mention of the Junior Backsliders. This new sub section of the club had held its own & increased its roll of membership. He hoped that those in the club who did not join would do so with abstain from pressuring the maid of her members against joining this organization which was believed necessary for the welfare of the club.

a most successful meeting closed at
10.30 with hearty votes of thanks to the chairman
& vice-chairman.

The Chairman expressed his thanks to the com: for their
glorious table assistance they had rendered during the
past year and hoped their successors wd: be as
helpful & exemplary. The mtg: closed with the usual
vote at 8.30 p.m.

f.W. 12. XI. 12

A general mtg: of the club was held on 5.11.1912
Present:- M'Wellesley in the chair supported by
Mess^r. Waggs, Nettlefold, Evans, Swift and
about ninety members.

The Chairman congratulated the members on the
splendid attendance in spite of the counter attractions
provided in memory of Mr. Gidus Faux.

The minutes of the prev: mtg: were read confirmed
& signed.

M'Wellesley then reviewed the club's doings since the
last general mtg:.

1. Cricket. This had been more successful than
usual & altho' it was a game members did
not take very kindly to, yet still greater
efforts sha: be made to excel in it..

2. Swimming was more popular than ever.
Nearly every member was an Otter, "Life-savvy"
in the past & present had been going strong
& there was a healthy outlook for the future.
Life-saving, he said, was hard work but
when efficiency in this useful exercise was
gained, the successful members were more
than satisfied with the result. There were still
opportunities afforded for all swimmers to

become life-savers & he hoped they be utilised.

3. Camp. The camp of 1912 was the most successful
they had ever held. Members made it a success
the weather notwithstanding.

4 Football owes its success to the great assistance
given by team managers who are thoroughly
deserving of the great respect & obedient help
of every player.

5. Boxing, he said, he wd: leave to Mr. Waggs & Barnes
& as Mr. Nettlefold was down to harangue
the members on:-

6 The Harriers, he wd: get on with the election
of the new Committee.

Election of Committee. The Chairman explained the
procedure and asked the members to
realise that under the new Com: the inaug-
-uration of the new club wd: take place & it
behoved members to see that an efficient

& trustworthy Committee was elected. D. Joyce
withdrew from the list of candidates for election.
The voting then took place and during the counting
of the votes by Mr. Davis & Mr. Davis M' Swift made

a few remarks. The old had com to the passing
of the ways. The old order of things was passed away
& a new one coming. The new club would need a new
effort on the part of members to conduct themselves
properly therein. Such practices as the playing with

electric snuff which they had indulged in on the previous evening wd. has to be discontinued. He urged members to realize & to fulfil their responsibilities, & to strive to become badgeholders in order that as such they might pass on into the old Boys club when the time came. (cheers)

M^r. Evans then congratulated the members on the excellency of the spirit in which the camp life was conducted. He was proud to be a member of the club. He had nothing but praise for the management of the club & the conduct of its members. But his connection with the club was on other lines than the welfare of their minds and bodies & he felt that this was the time to remedy the lukewarmness shewn in the attendance at the Sunday Club service.

A change of meeting-time shd: only be made after careful consideration of the general convenience. The attendance had improved but if the religious side of the club is to be developed & strengthened it must be by concentrating efforts in that direction. Progress in religious life is as much a matter of taking pains as in swimming, cricket or football.

M^r. Wagg made a successful début as a historical lecturer & critic but soon forsook the role to talk about the popularity of the boozey class. In reviewing the success on board the Saucy Treshua & in the other Inter-Club & federation Competitions he suitably acknowledged the aid of H Barnes and Messrs Green & Williams.

M^r. Kettlefield speaking of the runs-out of the Harness humorously referred to the persistence with which they sought out the Baker's Arms. He said not the least enthusiastic Harness was his four-footed friend. He hoped they might have a most successful season.

General business. Under this heading the Chairman spoke of the attendance at the Sunday Service. Good as it was the previous Sunday, only a third of the total membership was present. In the new Club he hoped that there might be a permanent improvement in the regard with which the members looked upon this matter.

The members were asked to discuss the suitability of the time of meeting but no change or remarks being forthcoming, it wd: appear that the present arrangement is a satisfactory one.

Proceeding, the Chairman exhorted the members to make visitors, probationers and new-members welcome, warmly & heartily, on their visits to the club. As members of the finest club in the world it behoved members to see that their conduct & general bearing were always a credit to it. The new building wd.

be ready probably by the end of Feb: for general use. Partial use of the buildings might be made before that time e.g. the boxing class might meet in the new hall. On the matter of games he was proud to think that the games were played in a proper spirit. Good sportsmen know how to win without being offensive to their opponents & to lose without grizzling or making excuses.

In the old Club-house it wd: be a difficult matter to accommodate any more members but on the opening of the new premises, it is hoped that members will vie with one another in introducing their companions who are likely to develop into good & useful members.

On the subject of employment & the penny bank many commendable observations were made by the Chairman and appreciated by the meeting.

Talking about the Junior Bachelors wh: has now been in existence a year, Mr. Wellesley instanced the fate of the two members who spoke in opposition to the formation of the J.B. Society as proving that it was impossible to have your heart in two places at the same time.

The Society was founded, he said, not merely to ~~serve~~^{serve} in the Club, but also to increase such as men & young men, we are men & girls.
