PLEASE READ THE FOLLOWING VERY CAREFULLY.

You have now been accepted into the Eton Manor Club as a Probationer, this does not mean that you are a full member, to become a full member you will have to successfully complete a month's probation. To do this you will be required to take an active part in the Club, attending as many of the activities and classes as you can. Whenever you do attend a class you should always see that your name is entered in the register kept by the Committee member on duty. A full list of activities that you can attend is displayed on the boys' notice board. There is no definite number of attendances a probationer must make to pass his probation, the Committee will decide whether you have shown sufficient enthusiasm and keenness to warrant your being made a full member. You will be notified by post when you are to appear before the Committee to be made a full member, it is essential that you attend at the time and date mentioned.

If during your period of probation you are unable to attend the Club as often as you would wish, do not hesitate to
